

MICHAEL M. HONDA
15TH DISTRICT, CALIFORNIA

**Congratulations from Congressman Michael M. Honda
to the San Francisco Bay Area Flight 93
Memorial Project**

December 8, 2007

On behalf of the residents of the 15th Congressional district of California, I am pleased to congratulate the hard work of those who contributed to the planning and construction of the memorial honoring the lives of the victims of Flight 93.

The actions on September 11, 2001 of the passengers and crew on Flight 93 were courageous and heroic. Their efforts helped to save the lives of countless other Americans. For this reason, it is important to honor and remember the actions of those who lost their lives on Flight 93 in Shanksville, Pennsylvania.

It is my pleasure to commend the work of the volunteers of the Flight 93 Memorial Project and congratulate them for their efforts in constructing the San Francisco Bay Area Flight 93 Memorial in Union City, California.

Sincerely,

Michael M. Honda
Member of Congress
