Dear Mr. Emerson:

I want to take this opportunity to thank you for your exemplary efforts to call attention to our veterans and our brave men and women currently serving in the military. I also want to thank you for your leadership in developing the Flight 93-9/11 Memorial in Union City.

I am pleased to hear the National & State POW/MIA Recognition Day and Vietnam Veteran's Memorial Rededication was a success due in part to your leadership and dedicated efforts. I appreciate the recognition for the flag I donated. It was my honor to have this flag flown over the U.S. Capitol, at your request.

Your support of our veterans and military personnel is truly appreciated and is making a difference in our communities. I am confident the Flight 93 & 9/11 Memorial being dedicated will be a significant tribute to those who gave their lives for the safety of others.

Again, thank you for all that you do!

Sincerely,

A handwritten signature in black ink that reads "Pete Stark". The signature is fluid and cursive, with the first name "Pete" and last name "Stark" clearly legible.
