To the San Francisco Bay Area Flight 93 Memorial Project:

I would like to extend my support and appreciation for all those contributing their efforts to the Flight 93 memorial. Your hard work honors those brave and self-sacrificing individuals lost on September 11, 2001.

While September 11<sup>th</sup> will be remembered as a tragedy, the actions of those aboard Flight 93 remind us of the power of the individual to create change. The passengers on Flight 93 were courageous in their actions and as a result of their heroic deeds, saved the lives of others. It is most important not only to remember those individuals but to always maintain hope for the future of our nation.

Again, I commend the efforts of the San Francisco Bay Area Flight 93 Memorial Project. I wish you the best in the creation of this memorial.

Sincerely,

A handwritten signature in cursive script that reads "Michael M. Honda".
